

Patient Responsibility Calculator

The Patient Calculator is accessed through a link in each EOR. The user enters a patient's deductible, coinsurance and co-payment amounts to calculate patient responsibility. Statements may be adjusted to reflect monies paid at the time of service and a copy may be printed for the patient's records.

The screenshot shows the 'Patient Calculator A113-646-413' window. It includes a navigation menu on the left with options like Home, EORs, Fee Schedules, Price Claim, Other Products, and Support. The main area contains patient details, a table of charges, and a summary of expenses.
